Our Values

At **Origin Public School** are committed to upholding a set of core values that guide our actions and decisions. We value diversity, inclusivity, and individuality, and we believe in treating all members of our community with respect. We cultivate compassion, kindness, and understanding through empathy, and we embody honesty, trustworthiness, and moral principles through integrity. We foster resilience, adaptability, and determination through perseverance, and we strive for academic rigor, innovation, and continuous improvement through excellence.

In our academic pursuits, we encourage curiosity, inquiry, and exploration, and we develop analytical, creative, and problem-solving skills through critical thinking. We nurture imagination, innovation, and self-expression through creativity, and we foster teamwork, communication, and mutual respect through collaboration.

As a community, we promote diversity, equity, and social justice through inclusivity, and we build strong relationships, partnerships, and social responsibility through community. We encourage sustainability, conservation, and eco-friendliness through environmental awareness, and we cultivate cultural awareness, empathy, and international understanding through global citizenship.

On a personal level, we develop emotional intelligence, self-reflection, and personal growth through self-awareness. We nurture self-esteem, resilience, and positive mindset through confidence, and we encourage accountability, self-discipline, and time management through responsibility.

Our vision is to empower minds, enrich lives, and shape the future by fostering a love of learning, creativity, and critical thinking. We strive to develop compassionate, confident, and curious individuals, and cultivate a sense of community, inclusivity, and social responsibility. Our goal is to prepare students for success in an ever-changing world and inspire a lifelong passion for discovery, growth, and excellence. By living our values of respect, empathy, and perseverance, we aim to create a vibrant and inclusive learning environment that nurtures the unique potential of each student.

- **Our mission** is to provide a learning environment that empowers students to achieve academic excellence and reach their full potential. We strive to develop essential life skills, such as critical thinking, creativity, and communication, and to cultivate emotional intelligence, empathy, and social responsibility.
- We aim to inspire students to become active, compassionate, and engaged members of their communities, and to foster a sense of belonging and success. We achieve this through academic rigor and innovation, personalized attention and support, diversity, equity, and inclusion, and partnerships with families and the broader community.
- **Our goal** is to instill a love of learning, a sense of belonging, and a preparation for success in our students.

Policy: We are committed to teach in students a sound thinking based on humanities ideals and endeavor for continual development in the quality of educational contribution, thus meeting the desires of the shareholders for the community.

Mrs. Asha Chaturvedi
Director

“सा विद्या या विभुक्तये” अर्थात विद्या वही जो मुक्त करे शिक्षा का उद्देश्य सिर्फ जीवकोपार्जन करना नहीं बल्कि मन और मस्तिष्क के परिष्कार और समन्वय द्वारा मनुष्य को लक्ष्य तक पहुंचने की क्षमता प्रदान करता है विद्यालय की शिक्षा का उद्देश्य प्रमाण पत्र देना नहीं बल्कि छात्रों को एक नयी सोच और नयी दिशा देना है जिससे वह शैक्षणिक गतिविधियों के साथ साथ संस्कृतियों, साहित्यिक एवं रचनात्मक कार्यों के प्रति प्रेरित हो और सफल व्यक्ति बनकर समाज व देश की प्रगति में खुद को अर्पण कर सके इसी उद्देश्य की पूर्ति के लिए यह विद्यालय शिक्षा के क्षेत्र में एक अभिनव प्रयास है जिसके लक्ष्य की प्राप्ति हमारे संकल्प और आपके प्रयास पर निर्भर है इसी उम्मीद के साथ कि विद्यालय में “ज्ञान का प्रकाश” आपको अपने लक्ष्य को पाने की प्रेरणा देगा

Mr. Vikas Sheoran
Principal

- At Origin Public School, our mission is to provide our students with a holistic and well-rounded education that prepares them to become global citizens. We value our students' experiences and observations, and provide them with opportunities to learn through experiential learning.
- Holistic education (mind, body, and spirit)
- Our curriculum is balanced, including academics, computers, physical education, yoga, and performing and visual arts.
- We provide our students with a safe, supportive, and inclusive environment where they can pursue their dreams.

Our approach is comprehensive, incorporating:

- Experiential learning
- Integration of subjects
- Field trips and project work
- Critical thinking, communication, collaboration, and creativity

We look forward to creating a happy association with you.

- Together, we will empower our students to achieve a bright and successful future.

Kindergarten & Primary

A second home for the younger children at nearby their home location where they get hygienic environment for fun and learning. We plan the activities on monthly basis to develop the learning abilities. Origin Public School provides a safe and healthy environment either its indoor or outdoor learning.

The most significant period of life is from birth to the age of six where most of the learning happens. Origin Public School initiates this holistic journey which endeavours to have a deep effect on the child's future by providing the right context of learning through the various activities.

We focus on activity-based learning so that student never forget the content we taught in the school. These activities focus on gross motor development, emotional and social well-being. We give children a new stimulating experience through good story books, ample play materials, music, puppetry, outings and a host of events conducted throughout the year. We inspire the kids to learn better and cent percent with fun. These activities build themselves as to become confident, independent, friendly and well mannered.

Primary & Middle School

- The outlines of knowledge identify has no bounds. Origin identifies this feature and gives rigorous exposure to group activities, visual learning, seminars, and project works. The teaching process at Origin Public School helps the students to learn, implement the knowledge in practical thing such as live projects, public speaking etc. The objective is to improve the performance of every child and encourage them to achieve with the help of practical knowledge exposure.
- English is the medium of instruction, Children's learn a Second language Hindi from Nursery. Students do have Sanskrit as a third language from Grade VI onwards. From Grade 1 they do have computer subject too. All the students from Garde 1 to VIII will have the access of library, Computer Lab, ATL Lab, Activity Room, Music & Dance room etc.

Infrastructure & Amenities

Library

Our library is a treasure trove of knowledge, with a vast collection of books, journals, and digital resources. Our libraries offer a comfortable and quiet space for students to read, learn, and explore. Our experienced librarians are always available to support students in their academic pursuits.

Computer Lab

Our state-of-the-art computer lab is equipped with the latest technology and software to provide students with hands-on experience in computer programming, digital literacy, and IT skills. The lab is designed to foster innovation, creativity, and critical thinking.

Math Lab

We provide the opportunity to the student to enjoy Mathematics, understand its basic structure & solve meaningful complications. By seeing the objects in front of their eyes & practical exposure of the student gives the learning of the mathematics objects in everyday life.

Science Lab

Our well-equipped science lab provides a safe and stimulating environment for students to conduct experiments, investigations, and projects. The lab is equipped with modern equipment and technology to support the teaching of physics, chemistry, and biology.

ATL Lab

The Atal Tinkering Lab is an innovative space where students can tinker, innovate, and create. Equipped with cutting-edge technology and tools, the lab encourages students to develop problem-solving skills, critical thinking, and creativity. The lab is designed to promote critical thinking, problem-solving, and collaboration.

Seminar Hall

In today's world the public speaking has very importance role. The subject teachers occupy this place for their grade students and they give the chance to all the students to speak on the topic so that they can remove their hesitation and build themselves as a motived student.

Grade Rooms:

Our grade Rooms are designed to provide a conducive learning environment for our students. Each grade room is equipped with state-of-the-art green, White boards, comfortable seating, ample of natural light and ventilation, and a secure positive safe environment for learning. Students do have racks to put their extra stuff.

Transportation facilities:

Origin Public School offers a convenient bus facility to the students of Lavkush Nagar and nearby places. Our priority includes the safety and comfort of the students during their daily commute. Our trained drivers and helpers ensure that students reach school and return home safely.

Key Features:

Specially designed buses for student safety and comfort
Escorts accompany children during pickup and drop-off
Optimized routes to minimize travel time

We do run our own fleet of buses & vans, equipped with:

- First aid box
- Fire extinguisher
- Camera
- Speed governors for safe and comfortable travel

CO-CURRICULAR ACTIVITIES

Field Trips

We allow scholars to have real world experience, which easily illustrates and enhances the information given in the grade room. Field passage gives a chance to witness hands on literacy while being introduced to new surroundings.

Art and Craft Room

Our art and craft lecture provide a platform for students to express their creativity and imagination. With a range of materials and techniques, students can learn various art forms, including painting, drawing, sculpture, and craft. Our experienced art teachers guide students to develop their artistic skills and appreciation.

Sports Facilities:

We believe that sports is an essential part of a child's development. Our sports facilities include indoor and outdoor playgrounds. Our sports facilities provide students with the opportunity to develop their physical skills, build teamwork and communication skills, and cultivate a lifelong love of sports.

Music Room:

We provide platform for students to explore their musical talents and interests. With a range of instruments and equipment, students can learn to play, sing, and compose music. Our experienced music teachers guide students to develop their musical skills and appreciation.

Dance Room:

Our dance class is a vibrant and energetic space where students can learn various dance forms, including classical, contemporary, and folk. With experienced dance instructors, students can develop their coordination, balance, and creativity while having fun.

Value Education Workshop

Value education lectures are an integral part of our school where moral values are enhanced through the workshop on the different topics.

ASSESSMENT

Effective assessments give students feedback on how well they understand the information and on what they need to improve, while helping teachers to design instruction better. In Origin, Assessment is done intermittently and through three different ways- Periodic Tests, Half Yearly and Annual Exams.

Our learners get immediate feedback which enables them to change their understanding and performance. Our half yearly are more formal and are done, using tools such as projects scored with a rubric, extended essays, written assignments, and Chapter tests. Our students are given the opportunity to re-demonstrate their understanding once the feedback has been digested and acted upon. Our Periodic Assessment is formal and takes place at the end of each term.

Staff Members

A Teacher is the backbone of any of the institution and role model too for the students. Origin Public School do have the core professionals and children friendly teachers. We do have experienced team who take care of the children on daily basis as well as for the career of the student. We believe that teachers teaching methodology makes the difference in any of the student. Therefore, we train the teachers in such a way that all things catered to them in many intellectual domains.
